

## MTNHP SITE DATA FORM

Please fill in as much information as possible to help us verify the significance of the site. If there is other data you can send us, like a printed report, then this form may not be necessary. GPS data are helpful but not essential. Send any digital photo files and the completed electronic copy (preferred) to livance@mt.gov or a paper copy to Greg Kudray, MTNHP Senior Ecologist, P.O. Box 201800, 1515 E. Sixth Avenue, Helena, MT 59620-1800. Sending detailed vegetation plot data within the site will be appreciated if available. Email or call Linda at 406-444-3380 with any questions.
